

The Love Santa Ana Initiative

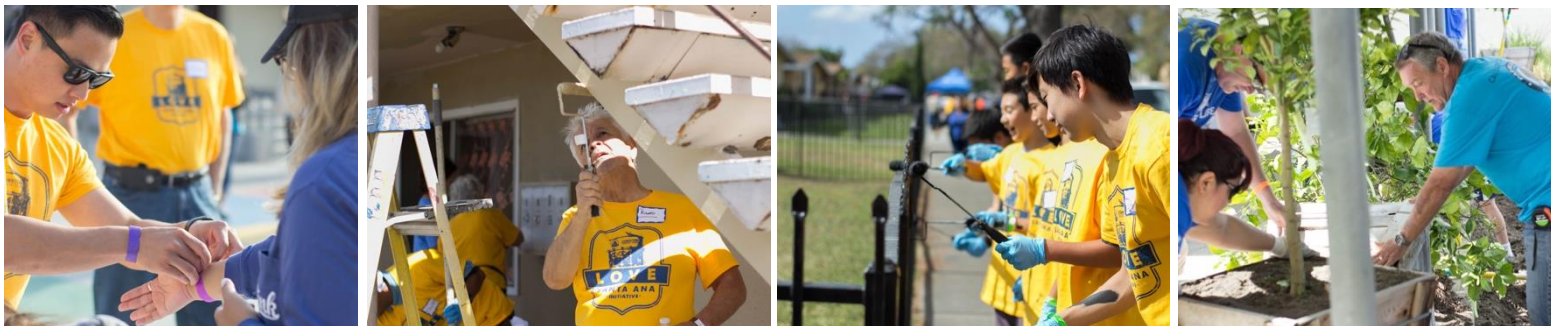

The Love Santa Ana Initiative is a program of a non-profit organization in Santa Ana. We focus on mobilizing churches, community groups and the business community to work together to bring beauty, hope and transformation to some of the most challenged areas of our city. Through this collaborative effort, hundreds of volunteers gather to help transform neighborhoods through an impactful day of service that includes various beautification projects.

Together, we are helping to change the face and identity of OUR CITY! With your gift, you are helping cultivate a renewed love for our city, organizing community-wide volunteer days, bringing community groups together and ultimately helping transform OUR CITY!
